

# **18th PR-PICA ANNUAL REVIEW MEETING**

**April 14 to 17, 2026, Lomé, Togo**

PR-PICA annual review meeting is a forum for presenting and discussing the results of research and development activities during the past cotton season. Each year, it brings together around two hundred and fifty (250) participants, made up of representatives of cotton companies and/or inter-professions, research institutes, cotton producer organisations from Programme countries and other African countries, as well as representatives of sub-regional and international organisations and agro-pharmaceutical firms from all over the world.

The objectives of this review meeting, which will be held this year from 14 to 18 April 2026 in Lomé, Togo, are as follows:

- ✚ to review the progress of the 2025/2026 cotton season in the 8 member countries of the Programme;
- ✚ to present the results of the research and development activities carried out during the 2025/2026 season and the prospects for integrated management of cotton production (management of pests, soil fertility and the problem of new varieties adapted to climatic variations);
- ✚ enable B2B meetings between representatives of researchers, cotton companies, cotton growers and Technical and Financial Partners and Agro-Pharmaceutical Firms.
